Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed the Chair to vote in accordance with the Chair's stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

Directors' Recommendation

The Directors are not making a recommendation for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Re-election of Director

Resolution 2 – Re-election of Mr Boris Patkin as Director

The Company's Constitution requires that that at the Company's AGM, one third of the Directors shall retire from office. A Director shall not hold office for a period in excess of three years or past the third AGM following his appointment. The retiring Directors must not be a Managing Director. The Directors to retire at the AGM are those who have been in office the longest since their last election.

ASX Listing Rule 14.4 also provides that each Director must not hold office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

Mr Boris Patkin was appointed a Director of the Company on 25 March 2020 and was last re-elected as a Director at the 2022 AGM and is therefore due for re-election of Shareholders in accordance with the Company's Constitution and the ASX Listing Rules.

Under this Resolution, Mr Patkin has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

Experience and Qualifications

Mr Patkin brings comprehensive market knowledge, thorough research and years of experience in investment markets and business consulting.

As a financial and investment advisor, Mr Patkin has an in-depth understanding of industry trends and has valuable insight into domestic and international markets. He specialises in the reconstruction of companies, investments and in international trade and is also an experienced business consultant in the medical and disruptive technology arena.

Mr Patkin has completed a Bachelor of Science (Industrial Chemistry) from UNSW. Boris is currently a member of MeSAFAA and is a senior advisor with Morgans Financial Ltd.

Mr Patkin is:

- Member of Audit and Risk Committee; and
- Member of Remuneration Committee.

Independence

The Board, having assessed Mr Patkin's associations and experience, has determined that he is not an independent Director, due to being a nominee appointment to a shareholder.

Directors' Recommendation

The Directors (excluding Mr Patkin) recommend that Shareholders vote for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

ASX Listing Rule 7.1A

Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the close of trading on 3 October 2025, the Company has a market capitalisation of approximately \$26.886 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined

25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

The Capital Structure of the Company as at 3 October 2025 is:

Security Class (Listed)	Number on issue
Listed Ordinary Shares (NOX)	292,237,950
Security Class (Unlisted)	Number on issue
Unlisted Options, expiring 10 September 2027, exercisable at \$0.148	520,000
Convertible Notes, expiring 2 January 2026	2,600,000
Total	3,120,000

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) to further develop the Company's business;
- (b) to fund and develop any of its existing products and newly discovered products;
- (c) to acquire assets including acquisition (full or part) of asset purchases or equity holdings, either in current part owned holdings or new acquisitions, which are permitted under the ASX Listing Rules without requiring share approval; and
- (d) for general corporate purposes, including working capital requirements, and costs of raising.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.046 50% decrease in issue price	\$0.092 issue price ^(b)	\$0.184 100% increase in issue price

- (a) Based on the total number of fully paid ordinary Shares on issue as at 3 October 2025.
- (b) Based on the closing price of the Company's Shares on ASX as at 3 October 2025.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company

- and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
 - (d) the Company's financial position and the likely future capital requirements; and
 - (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The Company has previously sought Shareholder approval under Listing Rule 7.1A, however as at the date of this Notice, the Company has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Directors' Recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Approval to Issue Securities under the Company's Employee Incentive Plan

Resolution 4 – Approval to Issue Securities under the Company's Employee Incentive Plan

Background

This Resolution seeks Shareholder approval to issue up to a maximum of 8,000,000 Equity Securities under the Company's Employee Incentive Plan (**Incentive Plan**).

The Incentive Plan was last approved by Shareholders of the Company on 17 November 2022 (**2022 AGM**) where shareholders approved a maximum of 8,000,000 Equity Securities. The Company issued 2,200,000 Loan Funded Shares under this approval.

Shareholder approval is being sought to re-adopt an Incentive Plan which has the ability to issue further Equity Securities under the Plan (without using up any of the Company's 15% Placement Capacity).

The objective of the Incentive Plan is to attract, motivate and retain key personnel of the Company.

The Company considers that the adoption of the proposed Incentive Plan will provide a cost-effective method of incentivising and remunerating its personnel whilst allowing the Company to spend a greater portion of its cash reserves on its operations than it would if alternative cash forms of remuneration were required to be paid to incentivise and remunerate those personnel.

Accordingly, the Company seeks Shareholder approval to issue up to a maximum of 8,000,000 Equity Securities under the Incentive Plan for the purposes set out in this Explanatory Statement, including for the purposes of Listing Rule 7.2 Exception 13(b).

Of the initial quantum of 8,000,000 Incentive Securities, the Company intends to issue:

- (a) in respect of the year ended 31 December 2024, up to 2,200,000 Loan Funded Shares, of which 350,000 Loan Funded Shares relate to the approval received under Resolution 4 of the Company's 2024 Annual General Meeting held on 19 November 2024;
- (b) in respect of the year ended 31 December 2025, up to 2,200,000 Loan Funded Shares, of which 350,000 Loan Funded Shares relate to the approval being sought under Resolution 5 of this Notice of Meeting; and
- (c) ***as highlighted in the section below, the 350,000 Loan Funded Shares in items (a) and (b) above do not take up capacity being sought under this Resolution of up to a maximum of 8,000,000 Equity Securities under the Incentive Plan for the purposes set out in this Explanatory Statement, including for the purposes of Listing Rule 7.2 Exception 13(b) as being sought.***

A summary of the key terms of the Incentive Plan is set out in Annexure A, and a copy of the rules of the Incentive Plan is available upon request from the Company.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

If this Resolution is approved by Shareholders for all purposes under the Corporations Act and the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13(b)), it will have the effect of enabling the securities issued by the Company under the Incentive Plan to be automatically excluded from the formula to calculate the number of securities which the Company may issue in any 12 month period using Listing Rule 7.1 (15% capacity) during the next three year period.

Since the Incentive Plan was last approved by Shareholders at the 2022 AGM, the Company advises that it has not issued any equity securities under the Incentive Plan.

If this Resolution is approved by Shareholders, the Company will, for the purposes of Exception 13(b) of ASX Listing Rule 7.2, issue up to a maximum of 8,000,000 Incentive Securities under the Incentive Plan during the three-year period following approval. ***For the avoidance of doubt and unless the contrary intention appears, if the Company seeks Shareholder approval to issue securities to Directors (or their nominees), these issuances will not form part of the maximum number of securities identified above.***

If this Resolution is not approved by Shareholders, the Company will be able to proceed with the issue of securities under the Company's Incentive Plan to eligible participants, but any issues of securities will not fall within an exception under Listing Rule 7.2 and therefore will utilise the Company's placement capacity under Listing Rule 7.1.

Directors Recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

The Chair intends to vote in favour of this Resolution.

Issue of Incentive Securities under Employee Incentive Plan

Resolution 5 – Approval of Issue of Incentive Securities to Dr Gisela Mautner, Managing Director of the Company

Background

The Company's Incentive Plan was approved by Shareholders on 17 November 2022, and the capacity under Listing Rule 7.2, Exception 13(b), is proposed to be refreshed under Resolution 4 of this Notice of Meeting.

The Company seeks to invite Dr Gisela Mautner, Managing Director of the Company, subject to Shareholder approval that is sought under this Resolution, to participate in the Incentive Plan by subscribing for 350,000 Loan Funded Shares under the Incentive Plan (**Incentive Securities**):

A summary of the material terms of the Incentive Securities are as follows:

1. Noxopharm will provide Dr Mautner with the opportunity to purchase 350,000 Loan Funded Shares at a market price of \$0.093 per Loan Funded Share, as determined by the Directors, being the closing share on 31 December 2024.
2. To enable Dr Mautner to acquire the number of Loan Funded Shares, Noxopharm will provide Dr Mautner with an interest-free, limited recourse Loan for up to seven years. The limited recourse nature of the Loan means that if Dr Mautner's Loan Funded Shares do not vest for any reason, or their market value is less than the outstanding loan value when Dr Mautner is required to repay the Loan, Dr Mautner's liability will be limited to the value of the Shares. That is, the Company cannot require Dr Mautner to repay an amount greater than the market value of Dr Mautner's Loan Funded Shares.
3. Dr Mautner's ownership of the Loan Funded Shares entitles Dr Mautner to the same voting and dividend rights as are attached to ordinary shares in Noxopharm. Until Dr Mautner's Loan has been fully repaid, the after-tax value of any dividends paid on the Shares will be applied to the repayment of Dr Mautner's Loan.
4. In order to benefit from the Incentive Plan, Dr Mautner must remain employed or continue to provide services to the Company and satisfy the Vesting Conditions.
5. To the extent that the Vesting Conditions are met, Dr Mautner will be able to repay the Loan and dispose of the Shares. Dr Mautner can choose to repay the Loan at any time Dr Mautner's Loan Funded Shares have vested up until the Loan becomes repayable.
6. The Vesting Conditions are:

Measures and Hurdles	Vesting Period

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Dr Gisela Mautner is the Managing Director of the Company, the proposed issue of Incentive Securities constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, this Resolution seeks the required Shareholder approval to issue the Incentive Securities to Dr Gisela Mautner under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of Incentive Securities as proposed in this Notice.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue and will likely need to find an alternative form of remuneration for Dr Mautner.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Incentive Securities constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

The non-conflicted Directors of the Company (being Mr Bart, Mr Marks and Mr Patkin carefully considered the issue of these Incentive Securities to Dr Mautner, and formed the view that the giving of this financial benefit as part of their remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the Incentive Securities, and the responsibilities held by Dr Mautner in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these Incentive Securities to Dr Mautner fall within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of Loan Funded Shares to Dr Mautner requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

Information Required by ASX Listing Rule 10.15

The following information in relation to the issue of Incentive Securities to Dr Mautner is provided to Shareholders for the purposes of ASX Listing Rule 10.15:

- (a) The allottee is Dr Gisela Mautner (or her nominee).
- (b) Dr Gisela Mautner, Managing Director of the Company, is a related party of the Company by virtue of being a Director and therefore falls within the category stipulated by Listing Rule 10.14.1.
- (c) The maximum number of Equity Securities that may be acquired by Dr Gisela Mautner is 350,000 Loan Funded Shares.
- (d) Dr Gisela Mautner's current total remuneration package is base salary of \$410,000 plus superannuation (at the statutory rate), with a 90-day notice period.

Share based payments	\$ 37,905	
Any other payments	\$ 8,344	(comprising non-monetary benefit of \$121 and long service leave of \$8,223)

- (e) Since the Incentive Plan was last approved by Shareholders on 17 November 2022, the Company has issued 0 Loan Funded Shares as at the date of this Notice of Meeting to Dr Mautner. However, these Incentive Securities are intended to be issued under the Incentive Plan subject to Resolution 4 of this Notice of Meeting. It is the intention:
 - in respect of the year ended 31 December 2024, to issue 350,000 Loan Funded Shares relating to the approval received under Resolution 4 of the Company's 2024 Annual General Meeting held on 19 November 2024;
 - in respect of the year ended 31 December 2025, to issue 350,000 Loan Funded Shares relating to, and subject to receipt of approval, the approval being sought under this Resolution; and
 - ***as highlighted in the section in Resolution 4 of this Notice of Meeting, the 350,000 Loan Funded Shares in items above do not take up capacity being sought under Resolution 4 of this Notice of Meeting for up to a maximum of 8,000,000 Equity Securities under the Incentive Plan for the purposes set out in this Explanatory Statement, including for the purposes of Listing Rule 7.2 Exception 13(b) as being sought.***
- (f) The Loan Funded Shares will be fully paid on issue and rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company, subject to the additional terms and conditions for Loan Funded Shares as outlined in Annexure B.
- (g) The Incentive Securities will be issued within 3 years from the date of this Meeting, if approved by Shareholders of the Company.
- (h) The Incentive Securities are being issued for NIL consideration pursuant to the terms of the Incentive Plan.
- (i) The material terms of the Incentive Plan are set out in Annexure A of this Notice of Meeting. The material terms of the Loan and Loan Funded Shares are set out in Annexure B of this Notice of Meeting.
- (j) Details of any securities issued under the Incentive Plan will be published in each annual report of the Company relating to a period which securities have been issued, and that

approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Incentive Plan after the resolution was approved and who were not named in the notice of meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

Directors' Recommendation

The Directors (excluding Dr Mautner) recommend that Shareholders vote for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Company's Constitution

Resolution 6 – Renewal of the Proportional Takeover Provisions within the Constitution

Background

The Company wishes to renew the Proportional Takeover Provisions in its current Constitution, which was last adopted by Shareholders at the 2022 Annual General Meeting. In accordance with the Act, this clause automatically ceases to have effect after three years unless renewed by a resolution of shareholders.

Further details in relation to this renewal are set out as follows:

Section 648G(1) of the Corporations Act provides that a company's Proportional Takeovers Provisions will cease to have effect at the end of three years from the date of adoption (or renewal, as the case may be).

The Company accordingly seeks the Shareholder approval of this Resolution for the refresh of the Proportional Takeover Provisions under clause 28 of the Constitution, which, for the purposes of the Corporations Act, requires the same process to amend or adopt a new constitution for the purposes of 136(2) of the Corporations Act.

The following information is provided for the purposes of Section 648G of the Corporations Act.

Proportional takeover bid

A proportional takeover bid is a takeover bid where the offer made to each Shareholder is only for a proportion of the Shareholder's Shares. If a Shareholder accepts, in full, an offer under a proportional takeover bid, the Shareholder will only dispose of a specified portion of their Shares in the Company and retain the balance of the Shares.

The Proportional Takeover Provisions are designed to assist Shareholders to receive proper value for their Shares if a proportional takeover bid is made for the Company by providing, in the Constitution, that:

- (a) in the event of a proportional takeover bid being made for Shares in the Company, Shareholders are required to vote and collectively decide whether to accept or reject the offer; and
- (b) the majority decision of the Company's members will be binding on all Shareholders.

Effect of the proposed provisions

Where offers have been made under a proportional takeover bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional takeover bid is prohibited unless and until a resolution to approve the proportional takeover bid is passed by Shareholders or otherwise, as pursuant to the terms of the Proportional Takeover Provisions.

In more detail, the effect of the Proportional Takeover Provisions is as follows:

- (a) if a proportional takeover bid is made for Securities of the Company, the Directors must ensure that a meeting of Shareholders is convened to vote on a resolution to approve that bid;
- (b) the bidder and persons associated with the bidder may not vote;
- (c) approval of the bid will require a simple majority of the votes cast;
- (d) the meeting must take place more than 14 days before the last day of the bid period (**Resolution Deadline**);
- (e) if the resolution is rejected before the Resolution Deadline, the bid cannot proceed and any transfers giving effect to takeover contracts for the bid will not be registered;
- (f) the bid will be taken to have been approved if, as at the end of the day before the Resolution Deadline, the resolution has not been voted on;
- (g) if the resolution is approved, the transfers must be registered (subject to other provisions of the Corporations Act and the Constitution); and
- (h) the Directors will breach the Corporations Act if they fail to ensure the resolution is voted on. However, the bid will still be taken to have been approved if it is not voted on within the Resolution Deadline.

The Proportional Takeover Provisions do not apply to full takeover bids. If the Proportional Takeover Provisions are adopted, they will cease to apply at the end of three years after renewal unless renewed by a Special Resolution of Shareholders.

Reasons for the proposed provisions

In the absence of the Proportional Takeover Provisions, a proportional takeover bid may result in control of the Company changing without Shareholders having an opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders could be exposed to the risks of passing control to the bidder without payment of an adequate control premium for all their Shares and being left with a minority interest in the Company. Such Shareholders could suffer potential further loss if the takeover bid were to cause a decrease in the Share price or otherwise make the Shares less attractive and, therefore, more difficult to sell.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal to acquire, or to increase the extent of, a substantial interest in the Company.

Advantages and disadvantages during the period in which they have been in effect

The Directors consider that the Proportional Takeover Provisions had no advantages or disadvantages for them during the period in which they have been in effect. The advantages and disadvantages of the Proportional Takeover Provisions for Shareholders include those set out below, which were applicable during the period in which they have been in effect.

Potential advantages and disadvantages

The adoption of the Proportional Takeover Provisions will enable the Directors to formally ascertain the views of the Shareholders in respect of a proportional takeover bid. Without such provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that the Proportional Takeover Provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the Proportional Takeover Provisions for Shareholders include:

- (a) providing the right to discuss, in a meeting called specifically for that purpose, and then decide, by majority vote, whether an offer under a proportional takeover bid should proceed;
- (b) assisting the prevention of Shareholders being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced;

- (d) potentially increasing the likelihood of a full takeover bid rather than a proportional takeover bid; and/or
- (e) enabling individual Shareholders to better assess the likely outcome of the proportional takeover bid, by knowing the view of the majority of Shareholders, which may assist in deciding whether to accept or reject an offer under the bid.

The potential disadvantages of the Proportional Takeover Provisions for Shareholders include:

- (a) imposing a hurdle to, and potentially discouraging the making of, provisional takeover bids which, in turn, may reduce any takeover speculation element in the price of Shares;
- (b) potentially reducing the likelihood of success of a proportional takeover bid;
- (c) possible reduction or loss of opportunities for Shareholders to sell some or all of their Shares at a premium; and/or
- (d) potentially causing some Shareholders to form the view that the Proportional Takeover Provisions impose an unreasonable restriction on their ability to freely deal with their Shares.

Accordingly, the Company wishes to renew clause 28 of the current Constitution (**Constitution**), which prescribes the procedure to be followed when a proportional off-market bid is made.

Prior to the Meeting, a copy of the Constitution is available for review by Shareholders at the Company's registered office during normal business hours. A copy of the Constitution can also be sent to Shareholders of the Company upon a request being made to the Company Secretary on (02) 8072 1400.

A complete signed copy of the Constitution will be tabled at the Meeting.

Pursuant to section 136(2) of the Corporations Act, a modification to the Company's Constitution (which includes renewal of the Proportional Takeover Provisions) can only be effected by way of a Special Resolution passed by its Shareholders. Therefore, this Resolution is a Special Resolution that can only be passed if at least 75% of the total votes cast by Shareholders entitled to vote on this Resolution are voted in its favour.

Directors' Recommendation

The Board of Directors recommend Shareholders vote for this Resolution.

The Chair intends to vote in favour of this Resolution.

Issue of Convertible Notes and Unlisted Options

Resolution 7 – Approval of Issue of Convertible Notes and Unlisted Options

Background

This Resolution seeks Shareholder approval to issue and allot convertible notes with a total face value of \$2.6 million (and up to 41,600,000 Shares on conversion of the convertible notes, including interest if capitalised) (**Non-related Party Equity Securities**) and 520,000 unlisted options to sophisticated and professional investors.

The unlisted options are 50,000 free attaching unlisted options for each \$250,000 of face value of convertible notes subscribed (or pro-rata portion). The 520,000 unlisted options will be exercisable at \$0.1488 with an expiry date of 10 September 2027 (**Unlisted Options**).

The Company previously issued on 10 January 2025 to professional, sophisticated or other exempt investors who are not related parties of the Company:

- (a) 2,100,000 convertible notes, with a face value of \$2.1 million (convertible into a maximum of 33,600,000 Shares including capitalised Interest and maturing 2

- January 2026 (**Current Maturity Date**)) and 420,000 unlisted options as approved by shareholders on 19 November 2024; and
- (b) a further 500,000 convertible notes, with a face value of \$0.5 million (convertible into a maximum of 8,000,000 Shares including capitalised Interest), and 100,000 unlisted options under ASX Listing Rule 7.1.

together the **Current Convertible Notes**.

The Current Convertible Notes therefore total 2,600,000 convertible notes, with a face value of \$2.6 million (convertible into a maximum of 41,600,000 Shares including capitalised Interest).

As announced to the ASX on 23 September 2025, the Company has agreed with the holders of the Current Convertible Notes, subject to shareholder approval, that:

- a) the Current Maturity Date be extended to 2 January 2027 (the *Expiry Date*), with interest accruing from 2 January 2026;
- b) the Company will pay in cash the accrued interest up to the Current Maturity Date on 2 January 2026, being \$327,000; and
- c) the holders of the Current Convertible Notes will be issued 520,000 Unlisted Options as an incentive for their ongoing financial support.

The overall effect of this extension to the Current Maturity Date is the issue of new convertible notes on the Current Maturity Date, being the Non-related Party Equity Securities, in satisfaction of the Current Convertible Notes, in addition to the issue of the Unlisted Options.

The effect of this Resolution is for Shareholders to approve the issue of these Non-related Party Equity Securities and Unlisted Options to fall within an exception to ASX Listing Rule 7.1, which will allow the Company to undertake the extension of the Current Maturity Date without using the Company's 15% capacity under Listing Rule 7.1.

In summary, the Non-related Party Equity Securities (**Convertible Notes**):

1. are subject to shareholder approval;
2. commence from the Current Maturity Date;
3. have an interest rate of 12% per annum capitalised until the date the Convertible Notes are fully repaid or converted into Shares;
4. expire on the Expiry Date;
5. have a conversion price of \$0.0992 (being a 20% discount to the average five-day VWAP ending 6 September 2024, namely \$0.1239), or a lower price if the Company undertakes a capital raise at any time before the Expiry Date. The Convertible Notes have a conversion floor price of \$0.07;
6. are secured over the 2025/26 Australian Tax Office R&D tax rebate;
7. have free attaching options as an incentive to the holders of Current Convertible Notes for their ongoing financial support being a total 520,000 Unlisted Options; and
8. provides the Company to access rebate funds of approximately \$2,800,000 from the Australian Federal Government's Research and Development Tax Incentive Scheme for the financial year ended 30 June 2025, in order to provide additional ongoing working capital.

The remaining terms and conditions of the Convertible Notes are unchanged, and as were outlined in the Annexure D of the 2024 Annual General Meeting Notice of Meeting.

The allottees are sophisticated and professional investors and are not:

- a related party of the Company;
- a KMP of the Company;
- a substantial holder of Company;
- an adviser to the Company; nor
- an associate of any of the above; and

however, with the exception of "HOLDER 1" noted below, would be issued with more than 1%

of NOX's current issued capital under the scenario of the maximum shares being issued, and as such as outlined and named in **Table 1** below.

The Convertible Notes comprise six (6) separate notes, as outlined in the table below:

Table 1: Details of the six (6) Convertible Notes

ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

An issue of equity securities that is approved by the Company's Shareholders under Listing Rule 7.1 will not use up the Company's 15% limit and therefore does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

As at the date of this Notice, the current Listing Rule 7.1 capacity is 35,235,692 securities.

If this Resolution is passed, the shares issued from the conversion of the Convertible Notes, being up to 41,600,000 Shares on conversion of the Convertible Notes including interest if capitalised, will be exempted under Listing Rule 7.2 Exemption 9. Similarly, the shares issued from the exercise of the Unlisted Options, being up to 520,000 Shares, will be exempted under Listing Rule 7.2 Exemption 9.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to approve the issue of the Non-related Party Equity Securities and Unlisted Options under and for the purposes of Listing Rule 7.1.

If this Resolution is passed, the issue of the Non-related Party Equity Securities and Unlisted Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 to issue equity securities without Shareholder approval over the 12-month period following the date on which the Non-related Party Equity Securities and Unlisted Options are issued.

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Non-related Party Equity Securities and Unlisted Options and will need to negotiate with the holders of

the Current Convertible Notes and seek to execute new agreements, with any securities to be issued or agreed to be issued required to be within the Company's capacity limit available under Listing Rule 7.1 at the time of the new agreements.

Information Required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3:

- (a) The allottees, being six (6) allottees in total, are sophisticated and professional investors sourced by the Company and are outlined in **Table 1**: Details of the six (6) Convertible Notes above.
- (b) The maximum number of Non-related Party Equity Securities to be issued are six (6) Convertible Notes with a total face value of \$2.6 million (and up to 41,600,000 Shares on conversion of the Convertible Notes including interest if capitalised) and a further 520,000 Unlisted Options, with the individual itemised six Convertible Notes outlined in **Table 1** above;
- (c) The Shares, upon conversion and subject to the terms and conditions of the Convertible Notes, will be fully paid on issue and rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The terms of the Convertible Notes are outlined above and Unlisted Options are set out in Annexure C of this Notice of Meeting.
- (e) The Non-related Party Equity Securities and Unlisted Options will be issued on 2 January 2026 and no later than 3 months of Shareholder approval being obtained by the Company (or otherwise, as determined by the ASX in the exercise of their discretion).
- (f) The Convertible Notes will be offered at an aggregate Face Value of \$2.6 million, with the individual itemised six Convertible Notes outlined in **Table 1** above. No new funds will be raised from the Convertible Notes, however the Current Convertible Notes with a Face Value of \$2.6 million will not be required to be repaid on the Current Maturity Date.
- (g) The Unlisted Options are free attaching options and will be offered for nil cash consideration.
- (h) Although no funds will be raised from the issue of the Convertible Notes, it allows the Company to access rebate funds of approximately \$2,800,000 from the Australian Federal Government's Research and Development Tax Incentive Scheme for the financial year ended 30 June 2025, in order to provide additional ongoing working capital.
- (i) Funds will not be raised from the issue of Shares from the Convertible Notes, however if the maximum number of Shares are issued from the conversion of the Convertible Notes, the Company would not be required to repay the \$2.6 million in Face Value of the Convertible Notes and \$312,000 in capitalised interest. Funds will not be raised from the issue of Unlisted Options, however funds would be raised through payment of the exercise price if the Unlisted Options are exercised.
- (j) The Non-related Party Equity Securities and Unlisted Options will be issued under an agreement between the Company and the six (6) allottees in respect to the extension of the Current Maturity Date.

Directors' Recommendation

The Directors recommend that Shareholders vote for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 8 – Approval of Issue of Convertible Notes and Unlisted Options to 4F Investments Pty Limited, an Associated Entity to Mr Fred Bart, Director of the Company

Background

This Resolution seeks Shareholder approval to issue and allot a convertible notes with a face value of \$1.25 million (and up to 20,000,000 Shares on conversion of the convertible notes including interest if capitalised) (**Related Party Equity Securities**) and 250,000 unlisted options to 4F Investments Pty Limited, an Associated Entity to Mr Fred Bart, Director of the Company (**4F Investments Pty Limited**).

The unlisted options are 50,000 free attaching unlisted options for each \$250,000 of face value of convertible notes (or pro-rata portion). The 250,000 unlisted options will be exercisable at \$0.1488 with an expiry date of 10 September 2027 (**Unlisted Options**).

As announced to the ASX on 23 September 2025, the Company:

- (a) has entered into an unsecured loan agreement with 4F Investments Pty Limited to provide a \$1,250,000 unsecured loan to the Company, and interest will be payable at 12% p.a. on the loan in cash on conversion into a Convertible Note, and if not converted into a Convertible Note, capitalised daily until maturity. The interest rate payable on the unsecured loan is the same rate payable under the Current Convertible Notes as outlined in Resolution 7 of this Notice of Meeting. The funds from the loan will be used for the Company's ongoing working capital requirements (**Unsecured Loan**);
- (b) the intention is that this unsecured loan facility will be rolled into the Related Party Equity Securities, being subject to this Resolution, including the issue of the Unlisted Options;
- (c) this will align 4F Investments financially with the holders of the Current Convertible Notes who will not be financially disadvantaged by this arrangement; and
- (d) if shareholder approval is not obtained under this Resolution, the Unsecured Loan will remain in place.

In summary, the Related Party Equity Securities (**Convertible Notes**):

- 4. expire on 2 January 2027 (**Expiry Date**);
- 5. have a conversion price of \$0.0992 (being a 20% discount to the average five-day VWAP ending 6 September 2024, namely \$0.1239), or a lower price if the Company undertakes a capital raise at any time before the Expiry Date. The Convertible Notes have a conversion floor price of \$0.07;
- 6. are unsecured; and
- 7. have free attaching options as an incentive for participating in the issuance of the Convertible Notes, with 4F Investments Pty Limited receiving a total of 250,000 Unlisted Options.

Full terms and conditions of the Convertible Notes are outlined in Annexure D.

The proposed allotment of the Related Party Equity Securities to 4F Investments Pty Limited are on the same terms as the proposed allotment of Non-Related Party Equity Securities to the sophisticated and professional investors, who are not related parties, as outlined in Resolution 7, with the exception of the Related Party Equity Securities being unsecured, and therefore the Related Party Equity Securities are on more favourable terms to the Company than the Non-

Related Party Equity Securities. Similarly, the proposed allotment of the Unlisted Options to 4F Investments Pty Limited are on the same terms as the proposed allotment of unlisted options to the sophisticated and professional investors, as outlined in Resolution 7, and therefore the Unlisted Options are on commercial terms to the Company.

The Convertible Notes comprises one (1) note, as outlined in the table below:

Table 1: Details of the Convertible Note

Holder	Face Value of Convertible Note \$	Interest \$	Face Value of Convertible Note Plus Interest \$	Maximum Shares to be Issued if Converted at Floor Price	Unlisted Options

Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, the Company, as a listed company, must not issue equity securities to persons in a position of influence without Shareholder approval.

A person in a position of influence for the purposes of Listing Rule 10.11 includes:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the Company;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an Associate of a person referred to in (a) to (c) above; and
- (e) a person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in the ASX's opinion, the issue or agreement should be approved by Shareholders.

Mr Fred Bart, Chair and Director of the Company is a related party of the Company and therefore is a person in a position of influence for the purposes of Listing Rule 10.11. 4F Investments Pty Limited is an Associate of Mr Bart. The proposed issue does not fall within any of the exceptions in Listing Rule 10.12, and therefore requires the approval of the Company's Shareholders under Listing Rule 10.11.

To this end, this Resolutions seeks the required Shareholder approval to issue a Convertible Note with a face value of \$1.25 million and 250,000 Unlisted Options to 4F Investments Pty Limited under and for the purposes of Listing Rule 10.11.

If this Resolution is passed, the shares issued from the conversion of the Convertible Note, being up to 20,000,000 Shares on conversion of the Convertible Notes including interest if capitalised, will be exempted under Listing Rule 7.2 Exemption 9. Similarly, the shares issued from the exercise of the Unlisted Options, being up to 250,000 Shares, will be exempted under Listing Rule 7.2 Exemption 9

If approval is obtained under Listing Rule 10.11, in accordance with Listing Rule 7.2 (exception 14), separate approval is not required under Listing Rule 7.1.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of Related Party Equity Securities and Unlisted Options.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue of Related Party Equity Securities and Unlisted Options and the Unsecured Loan will remain in place.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Related Party Equity Securities (which is a type of equity security, for the purposes of the Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person whom there is reasonable grounds to believe will become a “related party” of a public company.

The non-conflicted Directors of the Company (being Dr Mautner, Mr Marks and Mr Patkin) carefully considered the issue of these Related Party Equity Securities and Unlisted Options to 4F Investments Pty Limited and formed the view that the giving of this financial benefit are on arm’s length terms, as:

- Related Party Equity Securities proposed to be issued on the same terms as offered to non-related parties of the Company, being the Non-related Party Equity Securities; with the exception that it is unsecured;
- In respect of the Convertible Note proposed for 4F Investments Pty Limited, as the Convertible Note is unsecured, it is on more favourable terms to the Company than the Non-Related Party Equity Securities; and
- The Unlisted Options proposed to be issued are on the same terms as offered to non-related parties of the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these Related Party Equity Securities and Unlisted Options to 4F Investments Pty Limited fall within the “arm’s length terms” exception as set out in section 210 of the Corporations Act, and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of Related Party Equity Securities and Unlisted Options to 4F Investments Pty Limited requires Shareholder approval under and for the purposes of Listing Rule 10.11 only.

- (h) The Unlisted Options are free attaching options and will be offered for nil cash consideration.
- (i) Funds will not be raised from the issue of Shares from the Convertible Note, however if the maximum number of Shares are issued from the conversion of the Convertible Note, the Company would not be required to repay the \$1.25 million in face value of the Convertible Note and \$150,000 in capitalised interest. Funds will not be raised from the issue of Unlisted Options, however funds would be raised through payment of the exercise price if the Unlisted Options are exercised.
- (j) The current total remuneration package received by the relevant Director is \$45,000 (including superannuation).

Invitations

An invitation to an Eligible Person to participate in the Employee Incentive Plan (**Invitation**) may only be made if approved by the Board. In respect of each Invitation, the Board must determine (amongst other things):

- (a) the number of Shares for which the Eligible Person is invited to apply (**Loan Funded Shares**);
- (b) the price of each Loan Funded Share and the total cost if the Participant applies to acquire all of the Loan Funded Shares or the formula by which the price and total cost will be calculated;
- (c) the amount of the loan that will be provided to the Eligible Person to facilitate the acquisition of the Loan Funded Shares (**Loan**);
- (d) whether Loan Funded Shares will be subject to vesting conditions and / or disposal restrictions and, if so, those vesting conditions and / or disposal restrictions; and
- (e) any other terms and conditions the Board considers appropriate.

Loan Funded Shares

If the Eligible Person accepts the Invitation (**Participant**), the Board shall determine the number of Loan Funded Shares to grant to the Eligible Person in accordance with the Invitation. Upon the Board making this determination, the Company will issue, transfer or reallocate the relevant number of Loan Funded Shares to the Participant, which may be sourced by way of new issue, on-market purchase or reallocation of by the trustee of Shares.

Loan Funded Shares acquired under the Employee Incentive Plan will rank equally with all other Shares on issue. The Company will apply for quotation of the Loan Funded Shares acquired under the Employee Incentive Plan on the ASX.

Each Loan is limited recourse, which means that the repayment amount will be the lesser of the outstanding Loan and the market value of the Loan Funded Shares that are subject to the Loan. If the Loan Funded Shares are of lower value than the outstanding Loan balance at the time the

Participant is required to repay the Loan, the Participant's Loan Funded Shares will be bought-back or otherwise disposed of by the Company at market value and the proceeds applied in full satisfaction of the Participant's Loan obligation.

Unless determined otherwise by the Board, subject to the vesting of the Loan Funded Shares, a Participant may repay the Loan early and it must be fully repaid, or the Participant must enter an arrangement acceptable to the Board for its repayment, before the Participant can dispose of his or her Shares.

The Company will apply the after-tax value of any dividends to the repayment of Loans.

The proceeds from any sale or buy-back of the Loan Funded Shares will be applied to pay back the relevant outstanding Loan.

Vesting conditions

At the discretion of the Board, the Company may, when making an Invitation, determine that the Shares offered will be subject to vesting conditions. The nature and terms of the vesting conditions shall be at the discretion of the Board and may include conditions relating to continuing employment, performance of the participant or the Company or the occurrence of specific events.

Disposal restrictions

A Participant must not transfer, encumber or otherwise deal with Shares acquired under the Plan until the Loan in respect of those Shares has been repaid in full or unless permitted by the Board (in its absolute discretion).

Forfeiture

Unless otherwise determined by the Board, the Company will buy-back or otherwise dispose of a Participant's Loan Funded Shares if any of the following occurs:

- (a) the Participant breaches any term of the loan agreement in respect of the relevant Loan;
- (b) the Participant ceases employment, but only to the extent set out immediately below; or
- (c) the Board determines that any of the vesting conditions, to which the Participant's Loan Funded Shares are subject, have not been or cannot be satisfied for any reason.

On cessation of employment, all unvested Loan Funded Shares held by the Participant will be forfeited. If the Participant is a "bad leaver", all vested Loan Funded Shares will be disposed of or bought-back if they remain subject to any conditions or disposal restrictions, they remain held in trust or the Loan applicable to those Shares has not been repaid in full. A "good leaver" may retain his or her vested Loan Funded Shares, subject to repaying any outstanding Loan by the earlier of the end of the term of that Loan or the date which is 3 months from the date of cessation of employment.

Treatment on change of control

If the Company becomes, or in the opinion of the Board is likely to become, subject to a change of control, all of a participant's unvested Loan Funded Shares will automatically vest and, provided the terms of the Loan are complied with, the Participant may dispose of his or her vested Loan Funded Shares by way of sale on his or her own behalf, or requesting the Company buy-back the Shares.

Disposal or buy-back of Shares

Subject to the requirements of the Corporations Act and the Constitution, the Company may buy back or otherwise dispose of (including by reallocation by the trustee) Shares held by a Participant if the Shares are forfeited in accordance with the Employee Incentive Plan, a change of control occurs, or the term of the Loan has ended.

Any forfeited Shares which are bought back, or otherwise disposed of, by the Company will be bought back or otherwise disposed of by the Company for market value.

Trustee

The Company may appoint a trustee to do all such things and perform all such functions as considered appropriate to enable the implementation of the Employee Incentive Plan, including to acquire and hold Shares, or other securities of the Company, on behalf of Participants, for transfer to future Participants or otherwise for the purposes of the Employee Incentive Plan.

Annexure B – Key Terms of the Loan and Loan Funded Shares under the Employee Incentive Plan (Resolution 5)

The key terms of the Loan and Loan Funded Shares under the Employee Incentive Plan are:

- 1.1 Agree to become a Participant in the Plan from the date the Board resolves to grant the Loan Funded Shares to you in accordance with the Invitation and your Application in response to this Invitation (the **Grant Date**). The Invitation made to you is conditional on the Board making a resolution to accept the Application and you and the Company are not bound by the Invitation and Application until this resolution is made.
- 1.2 Agree that your rights and obligations are governed by the terms and conditions set out in the Plan Rules, this Invitation, the Loan Agreement, the Trust Deed (as defined below) and the Company's Constitution.
- 1.3 Acknowledge that, for the purposes of the Plan:
 - (a) the number of Loan Funded Shares you may apply for is 350,000;
 - (b) the price you must pay for each Loan Funded Share is \$0.093 (**Subscription Price**), being the closing Share price on 31 December 2024;
 - (c) the total value of the Loan you may apply for to purchase these Loan Funded Shares will be the total number of Shares you receive approval to purchase multiplied by the Subscription Price; and
 - (d) all Loan Funded Shares will be held by the trustee Noxopharm Holdings Pty Limited (**Trustee**). A copy of the trust deed pursuant to which the Trustee will hold the Loan Funded Shares (**Trust Deed**) is enclosed.
- 1.4 The Company will pay all transaction costs, fees and charges relating to the grant of Loan Funded Shares and in respect of the Loan being provided to you.

2. Conditions apply to your Loan Funded Shares

- 2.1 Your Loan Funded Shares are subject to Vesting Conditions and Forfeiture Conditions (**Conditions**). In summary, you must meet the Vesting Conditions in order for your Loan Funded Shares to vest and for you to benefit from them. While you hold Loan Funded Shares, they will be subject to Forfeiture Conditions and you will generally forfeit them if you either cease to provide services to the Company prior to vesting or do not satisfy the Vesting Conditions. Once the Vesting Conditions have been satisfied, you will generally be able to deal with them subject to repaying the loan (or making arrangements acceptable to the Board regarding repaying of the Loan) and the lifting of sale and other legal restrictions (such as under the Company's securities trading policy).

3. Vesting Conditions

- 3.1 Your Loan Funded Shares will vest at the end of the Vesting Period in the manner set out in the tables below provided that the following conditions are met:
 - (a) You are continuously employed or continue to provide services to the Company on each of the vesting dates (or such other date on which the Board makes a determination as to whether the Vesting Conditions have been met) (**Vesting Period**); and
 - (b) You have satisfied the performance hurdles set out below:

Measures and Hurdles	Vesting Period
<p>A share Price Hurdle of \$0.12[^] by 31 December 2025 (this hurdle must be reached on at least 20 trading days, not necessarily consecutive, by 31 December 2025).</p> <p>[^] being a 25% premium to the 10-day VWAP ending 31 December 2024.</p>	<p>The period commencing on the Grant Date and ending on 31 December 2025.</p>
<p>Conducting part 1 of the FIH clinical trial to generate clinical data for regulatory authorities and generate the relevant data in respect to CMC, stability of drug substance and drug product, scalability, validation of analytical methods, quality control and purity, that allows the Company to be in a position, should the Board together with Management determine, to commence part 2 of the SOF-SKN clinical trial.</p>	<p>The period commencing on the Grant Date and ending on 31 December 2025.</p>

4. What happens if you cease employment or cease providing services to the Company?

- 4.1 You will generally forfeit unvested Loan Funded Shares held at the cessation of your engagement with the Company unless you are categorised as a 'Good Leaver' (i.e. a special circumstances leaver such as a retiree). In this situation, a pro-rated portion of the Loan Funded Shares is likely to vest based on the portion of the Vesting Period that has elapsed and the extent to which the Vesting Conditions have been achieved at the cessation date (as determined by the Board).
- 4.2 You may generally retain and deal with Vested Loan Funded Shares held at the cessation date provided you have paid the outstanding Loan balance by the earlier of:
- (i) its expiry date; and
 - (ii) the date which is three (3) months from the cessation date (or twelve (12) months in the case of a Participant who is categorised as a Good Leaver (i.e. a special circumstances leaver such as a retiree).

5. What happens if the Loan hasn't been repaid by the end of the Loan Term?

- 5.1 The Company will buy-back the Shares from you for Market Value. The proceeds from any sale or buy-back of your Vested Loan Funded Shares will be used to pay back your Loan and any excess money after costs and expenses will be returned to you.

6. How will you know the value of and ascertain the market price of your Loan Funded Shares?

- 6.1 The Company's ordinary shares are currently traded on the Australian Securities Exchange under the ticker "NOX". Accordingly, you will be able to monitor and ascertain the market price of the Company's ordinary shares (and therefore your Loan Funded Shares) on the Australian Securities Exchange over the course of the Plan at (www.asx.com.au).

7. Loan Conditions

- 7.1 The full terms and conditions of the Loan are detailed in the Loan Agreement (a copy of which is enclosed with this Invitation). This section 7 provides a summary of some key terms of the Loan Agreement.
- 7.2 The Loan commences on the date specified in the Loan Agreement and ends on the earliest

of the following:

- (a) when you forfeit the Loan Funded Shares in accordance with the Plan Rules;
- (b) the date determined in accordance with the Plan Rules in circumstances where you retain Vested Loan Funded Shares on cessation of employment;
- (c) when Loan Funded Shares are disposed of or bought-back in accordance with the Plan Rules;
- (d) the seventh anniversary of the date the Loan is drawn down (expiry) if the Loan is not repaid by that date; or
- (e) the parties to the Loan Agreement otherwise agree in writing.

7.3 The Loan is interest free.

7.4 The Loan is limited recourse, which means that the repayment amount will be the lesser of the outstanding Loan Value (as defined in the Loan Agreement) (the Loan Value less any amounts you may have already paid) and the Market Value of the Loan Funded Shares that are subject to the Loan. If your Loan Funded Shares are of lower value than your Loan balance at the time you are required to repay the Loan, your Loan Funded Shares will be bought-back by the Company at Market Value and the proceeds applied in full satisfaction of your Loan obligation.

7.5 Subject to the vesting of your Loan Funded Shares, you may repay the Loan early and it must be fully repaid, or you must enter an arrangement acceptable to the Board for its repayment, before you can dispose of your Shares.

7.6 If any dividends are paid by the Company on your Shares, the Company will estimate the amount of tax payable on the dividends (based on the top marginal rate, including relevant levies, and taking into account the benefit of franking credits for franked dividends, to the extent possible) and pay this to you in cash so that you can pay your tax liability on the dividends. The Company will then apply the after-tax value of the dividends to the repayment of your Loan. Further, if the Company makes any capital returns to shareholders, these amounts will be applied firstly against your outstanding Loan balance.

7.7 The proceeds from any sale or buy-back of your Loan Funded Shares will be applied to pay back your Loan and any excess money after costs and expenses will be returned to you (if you are entitled to it). If you have forfeited the Shares the proceeds from sale will not be returned to you.

8. Other terms and conditions

8.1 Your Loan Funded Shares have the same rights as ordinary shares, including the right to receive dividends and capital distributions, and exercise voting rights, but are subject to the terms and conditions of the Plan Rules, the Loan Agreement, the Trust Deed and this Invitation.

8.2 The Company may enforce the terms and conditions by using a variety of mechanisms including placing a 'Holding Lock' on your Loan Funded Shares.

8.3 Loan Funded Shares may not be transferred, encumbered, disposed of or otherwise dealt with, unless otherwise permitted by the Plan Rules or as determined by the Board.

8.4 In the event of a Change of Control (as defined under the Plan Rules), all of your Unvested Loan Funded Shares will automatically vest enabling you to sell the Vested Loan Funded Shares subject to the terms of the Loan being complied with.

9. Liability

9.1 Noxopharm, any director of Noxopharm and any person named in this Invitation with their consent (each a **Relevant Party**) are not liable for any loss or damage suffered by you as

a result of a contravention of subsections 1100Z(1)(a)(b) or (c) of the Corporations Act if:

- (a) the Relevant Party:
 - (i) made all inquiries (if any) that were reasonable in the circumstances; and
 - (ii) after doing so, believed on reasonable grounds that the statement was not misleading or deceptive; or
- (b) the Relevant Party did not know that the statement was misleading or deceptive; or
- (c) the Relevant Party placed reasonable reliance on information given to the person by:
 - (i) if the Relevant Party is Noxopharm, someone other than a director, employee or agent of Noxopharm; or
 - (ii) if the Relevant Party is a director of Noxopharm or any person named in this Invitation associated with Noxopharm, someone other than an employee or agent of that Relevant Party;
- (d) if the Relevant Party is a person named in this Invitation, that Relevant Party proves that they publicly withdrew their consent to being named in this Invitation; or
- (e) the contravention arose because of a new circumstance that has arisen since this Invitation was prepared and the Relevant Party proves that they were not aware of this matter.

10. Risks

- 10.1 As you know, share price growth is dependent on, amongst other things, Company performance and market activity.
- 10.2 The limited recourse feature of the Loan protects you from losing money on the Loan Funded Shares – the Company cannot require you to repay more than the Market Value of the Shares. However, in that situation, there would also be no benefit to you resulting from ownership of the Loan Funded Shares as you would need to dispose of the Shares in order to repay the Loan.
- 10.3 Risk is attached to any investment in securities. By accepting this Invitation, you accept the risks associated with being a participant in the Plan and acquiring and holding the Loan Funded Shares.
- 10.4 These risks include, but are not limited to:
 - (a) The value of Shares – The market price of Noxopharm Shares may decrease. The price of Shares quoted on ASX may rise or fall. Noxopharm Shares may trade below or above the price of Noxopharm Shares at the time you are allocated the Loan Funded Shares due to a number of factors, including but not limited to:
 - (i) general economic conditions, including interest rates, exchange rates, inflation rates and commodity prices;
 - (ii) fluctuations in the local and global market for listed shares;
 - (iii) changes to government policy, legislation or regulation;
 - (iv) inclusion in or removal from market indices;
 - (v) the nature of markets in which Noxopharm operates;
 - (vi) general and operational business risks;
 - (vii) natural disasters; and
 - (viii) global hostilities, tensions and acts of terrorism.

There is no assurance that the price of Noxopharm Shares will increase following allocation of the Loan Funded Shares to you.

- (b) Taxation – Participation in the Plan may affect your personal tax position.
- (c) Holding Lock – The Loan Funded Shares may be subject to a Holding Lock. In the event that the Loan Funded Shares are subject to a Holding Lock, they cannot be sold or transferred until the Holding Lock is removed.

Annexure C – Key Terms of the Unlisted Options (Resolutions 7 and 8)

in accordance with the requirements of section 708A(11) of the Corporations Act.

Shares issued to the Lender on conversion of the Convertible Note (or part thereof) shall rank equally in all respects with the other then existing Shares on issue on the date of issue and shall be entitled to all dividends and other distributions, as at the record date or dates for which falls on a date on or after the date of conversion as detailed in the Conversion Notice provided in accordance with **clause 5.1**.

5.5 Satisfaction of Company's obligations

The conversion of the Convertible Note into Shares (or part thereof) in accordance with **clause 5.2**, operates in satisfaction of the Company's obligation to the Lender in respect of repayment of the Advance (or part thereof) on that portion of the Convertible Note so converted.

5.6 Repayment if Shareholder Approvals not obtained

If the Company does not obtain the Shareholder Approvals at the next meeting of Shareholders, the Lender may, no later than 10 Business Days after the Approval End Date, by written notice to the Company, require the Company to repay the outstanding amount of the Advance (together with accrued and unpaid interest) on a date that is no less than two months after the date of the notice.

6 RECONSTRUCTION OF CAPITAL

If there is a reconstruction of the capital of the Company (including consolidation, subdivision, reduction, return, scheme of arrangement or otherwise, but other than by way of a bonus issue, rights issue or other security issue), prior to the date the Convertible Note is fully repaid or converted into Shares, a proportionate adjustment

will be made to the number of Convertible Notes and the Issue Price to which the Lender is entitled upon conversion of the Convertible Note so that the Lender does not receive any additional benefits that are not conferred on the holders of Shares, nor suffer any dilution or other loss.

7 OFFERS TO HOLDERS OF SHARES

7.1 Bonus issues

If at any time the Company issues Bonus Securities to the holders of Shares, then the Convertible Note, to the extent that it has not been converted or repaid, shall be adjusted in accordance with ASX Listing Rule 6.22.3.

7.2 Participation in pro-rata securities issues

There are no participation rights or entitlements inherent in the Convertible Note and the Lender will not be entitled to participate in new pro rata issues of capital offered to shareholders of the Company during the currency of the Convertible Note without first converting the Convertible Note prior to the date for determining entitlements to participate in any such issue.

8 REPAYMENT IN CASH

8.1 Repayment on Expiry

The Company must repay to the Lender the outstanding amount of the Advance and any outstanding interest accrued on the Advance in cash on the date of expiry of the Term, unless, and to the extent, the Lender has given a Conversion Notice in respect of the Convertible Note. The note is to be repaid from available funds at the time of expiry.

If the Company is in a financial position to repay the Note after 6 months from the date the Advance is received by the Company, the Lender has the right to request repayment of the Note, or to convert all or part thereof.

8.2 Repayment

Where a Convertible Note is to be repaid in accordance with this **clause 8**, the Company must:

- (a) deliver to the Lender, in cleared funds, the amount of the outstanding Advance being repaid together with accrued and unpaid interest in respect of the Convertible Note; and
- (b) cancel the Convertible Note Certificate and send to the Lender, free of charge, a new Convertible Note Certificate in respect of any part of the Convertible Note not repaid.

8.3 Satisfaction of Company's obligations

A payment in accordance with **clause 8.2(a)** operates in satisfaction of the Company's obligation to the Lender in respect of the outstanding amount of the Advance so repaid

and the Company's obligation to pay accrued and unpaid interest for that part of the Convertible Note being repaid.
